A Co-operative Association of Fern Growers

Apopka, Florida

Dear Customer:

One-half cash and the Ferns are yours!

We have an excellent stock of Ferns which we are offering to those who have purchased plants of us before on the following attractive basis.

1. Send us your remittance for cash and we will ship you the Ferns immediately. Payment for the balance is so on hand to us, so that we may disburse it at once.

2. Send us a check for one-half the price of your order, and we will ship the Ferns to you immediately. Write us what stock of your own you wish to sell, and the balance due on the order, telling us the cost per plant. In this case, however, quote us f.o.b. here. In other words, it is understood that you are to pay the freight charges. Therefore figure the express charges to your destination.

We are offering the below list of Ferns at a special price. The stock is really excellent.
